# HQ<sup>18</sup> AVANTÉ<sup>®</sup>

## 18" LONGARM QUILTING MACHINE

Handi Quilter<sup>®</sup> offers expanded quilting space, two modes of stitch-regulation and a Precision-Glide track option in an eighteen-inch quilting machine. HQ integrated technology and HQ engineering provide all of the functionality that quilters demand along with the smoothest stitch in the industry. This quality product is backed by the HQ warranty and a large network of local representatives. *Designed by a Quilter, for Quilters<sup>®</sup>*, the HQ<sup>18</sup> Avanté is a high-functioning longarm system designed to fit the way you quilt.

### EXPANDED QUILTING SPACE WITHIN AN EASY REACH<sup>®</sup>

For the quilter who is looking for more quilting space, but wants a machine that makes the most efficient use of a quilter's reach, the HQ<sup>18</sup> Avanté offers precision stitching with 15" of quilting space. Multiple track, table and frame options are available to suit your budget.

# HQ STUDIO FRAME

For HQ<sup>18</sup> AVANTÉ or HQ Sixteen.

Handi Quilter® is a leading manufacturer of longarm quilting machines, systems and quilting accessories. Made of high-quality steel, the HQ Studio Frame is a robust, professional-grade combination table and frame system for the home or professional studio. Choose from either 10-foot or 12-foot versions.

## THE PROFESSIONAL FRAME FOR THE HOME STUDIO

*At Handi Quilter, we pride ourselves on being responsive to our customers. While our HQ Adjustable Table and Portable Professional Frame were designed for portability, the HQ Studio Frame was created to give you a rock-solid quilting platform, meant to be set up to your specifications and then left alone. You've asked for it and now you're going to love this frame system! - Mark Hyland, CEO*

## HQ STUDIO FRAME

The largest and most robust of all HQ table and frame systems

- 10- or 12-foot free-standing frame
- Larger-diameter pole system
- High-quality steel provides solid base for quilting and limits vibration
- Batting-storage pole included
- Zinc-plated hardware resists corrosion in humid climates

## SPECIAL FEATURES

Designed to make quilting easier

- Easy assembly
- Flexible: Use 8-wheel or 4-wheel HQ carriages
- Place ratchet-stops on left or right (to accommodate left-handed quilters or specific studio conditions)
- Self-leveling feet adjust to floor surfaces
- Adjustable legs for easy height adjustment
- 11-foot sturdy canvas marked leaders included
- Easy pole adjustment with snap-pin inserts.
- Built-in hand wheel for ease in rolling
- Can be used with any HQ quilting machine
- Rollers with built-in bearings
